Clark University • 2014

Bachelor of Arts, Foreign Languages-French
Minor, Women & Gender Studies
George Mason University • 2010

WORK EXPERIENCE

General Assembly • Web Developer

2017

- Acquired web development skills via participation in their 12 week hands-on immersive program.
- Designed, developed, and deployed full stack applications while working independently and as part of team projects.

Spaulding Hospital-Harvard • Exchange Visitor Program Specialist

2014-2016

- Reduced the ongoing professional practice evaluation (OPPE) process from 3 months to 1 by transitioning from manual to automated process with the use of Visual basic (VBA) and Excel.
- Designed posters for the American Medical Society for Sports Medicine annual meetings.

Worcester Dept. of Public Health • Research Analyst

2013-2014

- Conducted social network analyses utilizing NodeXL and Gephi software to identify gaps in social services provided to victims of human trafficking.
